Anamaria Hauptfeld Schweitzer

Twenty years from now you will be more disappointed
by the things you didn't do than by the ones you did do.

So throw off the bowlines.

Sail away from the safe harbor.

Catch the trade winds in your sails.

Explore. Dream. Discover.

The Experience

Cruising Croatia is not just about the ships and the facilities onboard, it is about making the most memorable journey in one of the world's most popular destinations with amazing experiences.

Katarina Line vessels cruise during the day providing spectacular views of Croatian rivieras, hilly islands and unspoiled nature. Dive in the crystal-clear sea during daily swimming stops at secluded bays or at world-famous beaches and dock in historical towns just waiting to be discovered. Unlike bigger cruise liners, Katarina Line vessels dock right in the centre of even the smallest places enabling guests to come on or off the ship at their own will and explore UNESCO-protected sites, narrow historical streets or major tourist centres.

Feel completely at ease and settle in on a journey of a lifetime while cruising to discover the timeless wonders of Croatia.

Our Vessels

Deluxe superior vessels are minimum 47m (164 ft) in length and 9m (29 ft) meters wide luxury vessels, with an average cruising speed of approx. 9 to 14 nautical miles.

Deluxe ships are between 42m (138 ft) to 47m (164 ft) in length and 8m (26 ft) to 9m (29 ft) meters wide vessels, with an average cruising speed of approx. 8 to 9 nautical miles.

Built with the latest state-of-the-art equipment and amenities, vessels offer capacity of 36 passengers in 18-19 twin or double cabins, guaranteeing an intimate setting for the passengers.

Katarina Line ships are floating boutique hotels that accommodate small groups attended by 8 to 10 crew members.

Accommodation

Cabins built by modern standards, fully equipped with A/C, safe deposit box, fire alarm and audio system for announcements by the captain or Tour Manager. Each cabin has life jackets, a desk and tabouret, a wardrobe, nightstand, chair or sofa and portholes or windows. Bathrooms are equipped with toilet, shower, wash basin and hair-dryer. Some cabins have indoor passage access to the bar and restaurant area.

Dining

The fully air-conditioned dining area accommodates all passengers at once, yet offers a degree of privacy for each guest and includes a bar area with LCD TV and a corner table for buffet breakfast. A portion of the dining area extends outdoors as a lounge area, offering sweeping panoramic views of the surroundings.

Katarina Line chefs carefully produce artistic local specialities prepared of fresh ingredients bought at local markets. Hot and cold buffet breakfast is served in the morning and three-course lunch in the early afternoon. A four-course Captain's sensational dinner with entertainment on board is also included.

Sun Decks

Lounge sundecks with an average surface of 200m² (2152 sq ft), partially offering sun-shade and deck-beds for all passengers. The vessels have rear platforms for easy access to the water. In addition, the vessels offer jacuzzi, outdoor showers and deck lavatories.

Crew

Friendly crews of 8 to 10 members will carefully cater to all client's wishes making the stay on board as wonderful as possible.

Experienced captains ensure a safe journey for all. Ships in our fleet are family owned and made in Croatia, designed especially to cruise in Croatian waters.

Alongside the captain, the chef prepares sensational specialities to be remembered for a lifetime, the barman, seamen and chambermaid maintain the ship and are available to take clients to shore with the ship tender during the swimming stops.
